

## **PRODUCT MEMO**

All the items shown in our catalogue are not Original Equipment but perfectly suitable to.

The products are shown according to legal requirements, in the best possible way.

Due to the different color impact related to navigation or screen software / hardware, we cannot guarantee the exact visual of the products on the Website or in the catalogue, as a consequence COS.PEL. will not be responsible for any mistaken related to the photos from the Website or from the catalogue.

More, there can be a lack of difference between the products on the Website / catalogue and the delivered product, due this especially to hand made products, which standard quality cannot be perfectly guaranteed.

Given that these lacks of difference do not belong to the basic skills of the products and do not affect their final quality, no order cancellation based on this will be accepted.
